Dear praying friends,

The month of April was filled with many unique opportunities to serve the Lord, and we are excited to share with you how God is using us here in Uganda.

In the East Africa Baptist College, Abbey finished her theory portion of our music class, and we both began teaching song leading separately to the young men and young ladies. With each lesson, the enthusiasm to learn more has been evidenced in the students. They are beginning to understand the importance of music in ministry.

In preparation for Easter Sunday, I was able to teach our church choir two new songs which they sang during the morning service. In the two months that I have been able to lead the choir, we have seen God bless and grow the spirit of those involved. Ugandans have a natural ability to sing, and being able to develop that talent has been incredibly encouraging!

During the last weekend of April, Gospel Light Baptist Church held their annual ladies conference. Having had experience in the past, Abbey was able to help decorate for the event, lead the music, and teach the opening session on Saturday. This was her first time speaking through an interpreter, and it was quite the experience!

On our way to an appointment this past month, our vehicle stalled, and we were informed that the engine computer would have to be replaced. God once again proved His faithfulness by providing all the finances necessary to get this problem fixed. Please pray that this will conclude the major issue with our vehicle and that we will be able to get our Ugandan driver's licenses this month.

Our language teacher continues to grow in the Lord through the discipleship program, and she was able to attend a local Baptist church for the first time a few weeks ago. She also attended the ladies' conference and was encouraged by the singing and teaching.

Here are some specific ways in which you can pray with us this month:

1. Please pray for comfort for the family of our language instructor as they unexpectedly lost two loved ones recently.
2. Please pray for six-year-old Zoe, the daughter of our language instructor, who has become afraid of death through the losses in the family. Pray that we would be able to explain salvation easily and that Zoe would understand and accept Christ.
3. Please pray for two of our Sunday school members as they get married on May 14th. We are very excited for Pastor Elly and Ms. Sylvia as they take this "next step" in their lives.
4. Please pray for the janitorial staff in our apartment building. We plan to invite them to our home for dinner and present the Gospel to them in the next week.
5. Please pray as our family moves to the other side of Kampala at the end of this month. We will be housesitting for the Tony Applegate family as they return to the US on furlough.

Thank you for standing in our corner and supporting us with your prayers and financial support! May God continue to bless you as you serve Him!!

Your faithful servants in Christ,
Caleb, Abbey, and Carson Turner
