Happy Canada Day and Fourth of July!!

Holidays are probably the most challenging days for missionaries on the foreign field. What was once a day for family time, barbeques, fellowship, and fun with loved ones is now something new and different. God has blessed Uganda with a wonderful group of BIMI/Baptist missionaries with whom we get to have fellowship and celebrate on these special days. They are not blood relatives, but they quickly become foreign field family members! We hope that all of our friends and family back in North America have a wonderful Canada Day and Fourth of July. Abbey, Carson, and I are very grateful for Canada and the United States of America.

June was incredible! We began the month by hosting our language teacher's mother and sister for a lunch and discipleship lesson because they were in Kampala in preparation for Ms. Lois' kidney removal surgery. Having already expressed concern that her mother and sister may not be saved according to what the Bible says, Ms. Lois, Abbey, and I spent about two hours going over the Bible way to Heaven. Because her family is predominantly Anglican (Church of Uganda), it was no surprise to see the reactions when we explained that salvation is only through Jesus Christ alone. What an amazing moment to witness both ladies bow their heads and trust Christ as their personal Saviour!

The next day, Ms. Lois underwent a successful kidney removal surgery, and she is very grateful for the prayers on her behalf. Last Saturday, I went back to their home for another lesson of discipleship. Lois told us that her friend, Sarah, who is living with her, had been asking questions about salvation. When I arrived, we started by talking to Sarah, and by the end of the conversation, she was very ready to accept Christ! It was a wonderful moment to see another answer to prayer on Lois' behalf.

What began as a language teacher/student relationship, has morphed into a close Christian bond that we hope and pray continues through our entire ministry! Ms. Lois trusted Christ in February. She led her first convert to the Lord in March. Her nephew accepted Christ in April. Her mom, sister and close friend all accepted Christ this past month. We are still praying for her daughter, Zoey, to also trust Christ as her Saviour. It has been amazing to see how God has used her to see several others come to Christ already. Please continue to pray for her spiritual growth and that of her family and friend.

We would ask that you would pray for these specific requests for the month of July:

1. **Abbey's medical tests.** We are still searching for answers regarding the two miscarriages that we have experienced. Abbey has some tests this month that should help us know what to do about the endometriosis with which she has been diagnosed.
2. **Ms. Lois' daughter (Zoey) – salvation.**
3. **Our transition into attending a new church on the other side of Kampala, Faith Baptist Church, pastored by Missionary Dan Dwire.**
4. **Our Rutooro language learning.** Due to sicknesses and some medical problems, we have slowed in our language studies; however, we are resuming this month!

May God continue to bless you as you serve Him faithfully! **Ephesians 3:20** says, *“Now unto him that is able to do exceeding abundantly above all that we ask or think, according to the power that worketh in us.”*

Your faithful servants in Christ,  
Caleb, Abbey, and Carson Turner
