Dear praying friends,

The month of August was a time of significant blessing! We are amazed how God continues to reveal Himself in ways that we never imagined possible, and how He uses us for His great purpose. We serve a truly amazing God!

In July, we asked you to pray with us for three specific requests, and we are delighted to report that God answered each request in an amazing way! Though we experienced more vehicle difficulties, the finances were provided to continue repairs, and the car is once again working properly. We would like to thank those who specifically sent extra funds for us to be able to purchase furniture for our future home in Kasese. We were able to find some pieces that we like and price them. Because of the selfless giving of God's people, we are excited that we will be able to purchase several furniture pieces in the month of September! We are so grateful for the faithfulness and generosity of our supporters.

The second request we had mentioned was regarding the salvation of our language teacher's seven-year-old daughter, Zoe, and friend, Lilian. During a visit to our home, Abbey was able to thoroughly explain the Gospel to Zoe, and she accepted Christ that day! In the middle of the month, I was able to attend a Baptist crusade in the eastern town of Iganga during which over SIXTY people accepted Christ as their Saviour! While I was returning from the trip, Abbey informed me that she was witnessing to Ms. Lois' friend, Lilian via WhatsApp voice recordings. Over the course of two hours, Abbey was able to explain and answer any questions about salvation, and we praise God that she also accepted Christ as her personal Savior! It is incredible to see that God can even use technology to help us be able to fulfill the Great Commission.

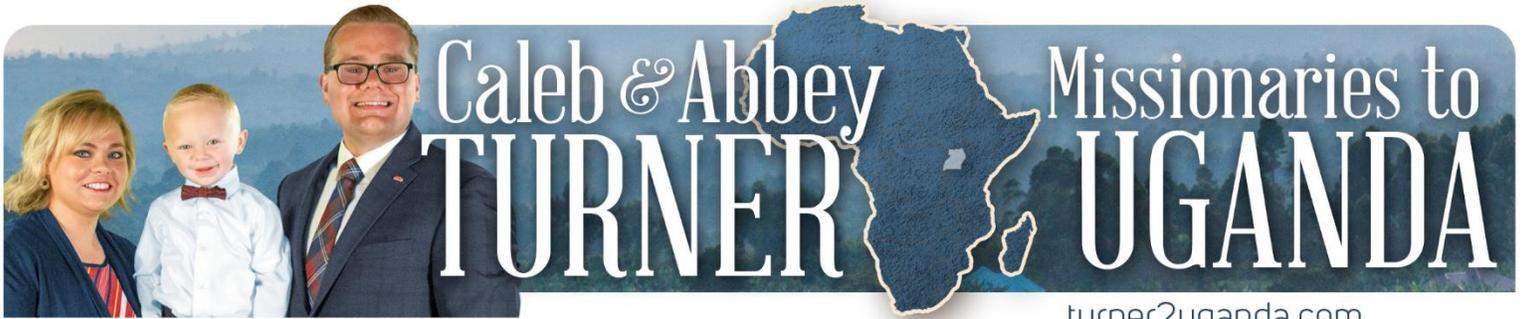

The final request from last month was regarding the growth of our son Carson. Each day, he continues to grow physically and mentally. In August, he learned how to fly a kite and has begun to learn how to ride a bike. We are also working with him to grow in his knowledge of the Bible, and he is doing a great job learning! He has almost completely memorized all the books of the Old Testament, and he is also learning new Bible verses biweekly. He enjoys learning the stories of the Bible and new Sunday school songs. Please continue to pray for his salvation.

In addition to the answers to specific requests, God did even more in August! Two Ugandan pastor's wives had the opportunity to visit our home for a day, and Abbey was able to give counsel and to encourage them. Because they are both expecting little ones soon, we had a small cake and a gift for each of them in celebration. Please pray for these ladies as they endeavor to reach their own people for Christ and be examples of godly wives and mothers. Please also pray for safe and easy deliveries of their precious babies in the coming months.

A few months ago, we reported the salvation of Lois's nephew, Kevin. On August 15<sup>th</sup>, I was able to do a WhatsApp video call with Emmanuel (Kevin's brother), and he also put his trust in Christ! The next time Lois came to our home, we gave her a New Testament for both Kevin and Emmanuel. They are already eagerly reading their Bibles and asking questions when they do not understand something. Please pray for their continual growth as they will be returning to boarding school this month.

Last Friday, Ms. Lois brought one of her friends to our house during our language and discipleship time. Robert, a former Catholic catechist, claimed to be a current Pentecostal. He entered our home thinking he was going to Heaven, but he left knowing 100% sure that he IS going to Heaven when he dies. Please pray for his wife as we will be hosting them again sometime next week and will be presenting the Gospel to her.

This past Sunday, Ms. Lois and her daughter, Zoe, both followed the Lord in believer's baptism. A video of Lois's baptism can be viewed on our Facebook page! It was a wonderful finish to an amazing month here in the Pearl of Africa. I have always tried to keep our prayer letters at a minimum of one page, but this month God did "exceeding abundantly above all that we ask or think..." to be able to limit the page numbers. We are so blessed to be able to testify of His goodness to us here in Uganda, Africa!

Please pray for the following requests for the month of September:

- 1. Robert's wife to get saved.** Please pray that her heart will be open to receiving the Gospel just as her husband.
- 2. Growth in the lives of new converts.** We have many people that have accepted Christ in the last three months. Please pray that these new converts would continue to grow in Christ and that we would be able to balance our time for any extra discipleship lessons that will be needed.
- 3. Preparation to move to Kasese.** Please pray that God would lead us to the right person from whom we can rent a home in the western town of Kasese. We will be working with veteran missionary, Matt Stensaas, and continuing our language studies there.

Thank you for standing in our corner and supporting us with your prayers and financial support! May God continue to bless you as you serve Him!!

Your faithful servants in Christ,  
Caleb, Abbey, and Carson Turner
