Matthew 7:11 says, *“If ye then, being evil, know how to give good gifts unto your children, how much more shall your Father which is in heaven give good things to them that ask him?”* In our October letter, we asked that you join us in prayer about finding the right home and landlord in Kasese. We greatly appreciate the prayers that were submitted on our behalf as God answered that request and provided us a nice home where we will live for the next two years. After signing the contract, we had the opportunity to pray with our homeowner and the real estate agent (who is already saved). Please pray that we would be able to have more opportunities to witness to our new landlord, Mr. Paul, as we are unsure of his salvation.

Sometimes we cannot understand why God allows certain things to happen in the lives of fellow believers. Our language teacher and her family lost their third immediate family member in the past nine months. Ms. Lois’ aunt passed away last Saturday. Although she had been diagnosed with a blood clot in the lung, after her passing, spinal cord cancer was discovered as the cause of the blood clots and her death. The family was greatly heartbroken and are still trying to process the unexpected loss of another family member. At the vigil which took place the evening she passed, I had the opportunity to give a brief word of encouragement with Bible verses and a picture of the Gospel. Most of Lois’ family is from the city of Fort Portal, and they were delighted to hear that we will be starting a church there during our second term. We are uncertain of the salvation of Ms. Lois’ aunt, but she had heard a Gospel presentation from her niece before her death. Being there for the family and attending the vigil was another huge cultural opportunity for me. I was able to spend several hours with the family helping with the dinner and praying with various family members who were in desperate need of comfort. Though this was a difficult time, the family was very appreciative of my presence, and we are praying the Lord would use this as an opportunity to witness to more of Lois’ family in the future.

Please pray for the following requests for the month of November:

1. **Ms. Lois’ family.** Her family has endured another loss of life. Please pray that God would give comfort and that we would have an opportunity to witness to more of the family.
2. **Our move to Kasese on November 15th.** Please pray that God would give safety on the roads and that the Ebola outbreak in Uganda would not cause another nationwide lockdown which would prevent our move to the west.

Thank you for standing in our corner and supporting us with your prayers and financial support! May God continue to bless you as you serve Him!!

Your faithful servants in Christ,
Caleb, Abbey, and Carson Turner
